The 1998 volleyball team finished their season with a loss in the semi-final round of the ECAC tournament. This year's squad was made of four freshmen: Shannon Saddler, Erin Shepherd, Allison Mosher, and Charissa Manolopoulos, two sophomores: Bonnie Campbell and Andrea Martins, two juniors: Jill Saxon and Neva Metcalf, and Senior co-captains Lindsay Van Tol and Erin McGlone. With a young squad, this year's team surpassedmany expectations with a record above 0.500. Lynn Mulkeen ('98) had set for the Lyons for four years and took them to the NCAA tournament in 1997. Despite the fact that the 1998 season should have been a rebuilding year, freshman setter, Shannon Saddler successfully pulled this year's team together for another good season. The outlook for the volleyball team in 1999 is a positive one as they will only lose two seniors to graduation.

Whims

The goal and mission of the Wheaton College Whims is to expand the musical diversity of this campus by providing a group for qualified women to join together and create beautiful and meaningful vocal performances. The Whims will forever remain a group that fosters sisterhood and understanding by enhancing its members' mutual love of music.

A new edition to campus groups in 1997, the Dimple Divers became Wheaton's first improvisational comedy group. Performing in such places as the Lyon's Den, the Balfour-Hood Cafe and the Loft, the Divers have continued to grow in experience as well as recognition. With auditions every year, the group will continue to provide the campus with a reliable source of comedic entertainment.

BACCHUS

BACCHUS (Building Alcohol Consciousness Concerning the Health of University Students) is one of the many social groups which Wheaton provides. Promoting responsible drinking and sponsoring alternatives to alcohol,

BACCHUS's efforts can be seen campus-wide throughout the academic year. From the weekly presentations of box office movies to serving mocktails at social events to the annual Moonlight brunch, BACCHUS provides something for everyone.

Hawaii Club

(Mahale Aloha Uhane) The purpose of the Wheaton Hawaii Club is to share the Aloha Spirit. We seek to share Hawaii's unique culture with the greater college community. In this we hope to keep in touch with home as well as to educate others on campus who have the desire to learn about our home. Although our home is thousands of miles away, it will always live in our hearts. Wherever we go, we take pieces of Hawaii with us. Thus we progress with open arms ready to share and learn.

Women's Indoor Soccer

The Indoor Soccer club at Wheaton began because there were a great deal of athletes, male and female, who enjoyed soccer but were unable to play at the varsity level for one reason or another. The club has tried to incorporate both a high level of competition as well as a relaxed environment open to all members of the Wheaton community.

Wheaton College Hillel

Men's Ice Hockey

The purpose of the Wheaton College Hillel (formerly JSA) is to promote Jewish awareness on campus. It also serves to provide a group for Wheaton's Jewish students to identify with both socially and religiously. Throughout the year, Wheaton College Hillel hosts dinner for the holidays of Chanukah and Passover in addition to services and other related programs for Rosh Hashanah and Yom HaShoah. The Wheaton College Hillel is open to any member of the Wheaton community who is interested in Jewish awareness and Jewish issues on campus.

Wheaton's yearbook staff is a small committed group of individuals dedicated to providing students with a remembrance of their four years at Wheaton. Each book is filled with images that characterize life on Wheaton's campus. Every year we attempt to make the book more creative and exciting. Our staffers try to capture daily life and important events on campus.

Rushlight

its 144th year to serve as a publication for and by Wheaton students. The magazine represents Wheaton's writers and artists, by accepting submissions twice a year and subsequently publishing two editions. Rushlight is not only one of the oldest literary magazines in New England, it symbolizes an important tradition at Wheaton.

Our members are dedicated to giving aid when help is needed.

Tri-Beta

Wheaton's chapter of the National Beta Beta Beta Biological Honor Society. All Biology, Biochemistry, and Environmental Science majors with a 3.0 in at least 4 Bio courses are eligible. Members are inducted in the spring each year. Members take part in Biology/Science based activities such as whale watches, museum visits, nature trips, etc.

Wheaton Wire

The Wheaton Wire is Wheaton's bi-weekly, studentrun newspaper. It is the goal of the staff to keep the Wheaton Community informed of campus news and events. The Wire allows community members interested in the field of journalism to voice their opinions and apply their energy towards the production of the campus newspaper. All classes are involved in this publication so there are many freshmen and sophomores who will be around to make sure The Wire continues to improve in the years to come! We would like to thank the community for their support!

The lamp burned

By Jared Rose

Twelve students were killed And the lamp burned One teacher was killed And the lamp burned Two gunmen killed themselves And the lamp burned At Wheaton tears were shed And the lamp burned A pen scratched out loving prayers And the lamp burned The bells rang fifteen times And the lamp burned Wheaton honored those that were killed And the lamp burned The lamp went out But it still burned In the hearts of all those who had seen it.
